

MILAN MODERN SWING - EVENT RULES

Participants have to wear the wristband at all times. It is mandatory to show the wristband at the entry of classes and parties.

According with local safety law it is forbidden to move furniture and equipment from the area where they are placed to prevent obstruction of emergency exits and escape routes. Do not place bags or suit cases near the emergency exits and do not climb on chair or tables.

Organizer does not take any responsibility for participants' valuables, assets and physical injuries.

There is a risk of physical injuries during dance activities. It is the participant's responsibility and decision to do any dance activity during the event. Do your best to be careful - for yourself and for the others as well!

Participants have to accept the decisions of the teachers and Organizer during the event and especially during audition (if requested).

Participants (their image, voice) may appear in media (like photo, video, event DVD) the organizer or representative will record during the event. The Organizer can use these media for any purpose related to Italian Open or other artistic purposes in any form.

Organizer keep lost&found properties for one week after the event has finished.

There is no refund in case some part of the program is not realized (for example a teacher is not participating because of illness or cancelled flights).

Participants are not allowed to record or take photos of classes, unless the teacher permits it.

If a participant fails to comply with these rules, the organizer is entitled to withdraw the participant's pass and ask him/her to leave the event without refund of any fees.

Do not bring your own food and drinks into the ballroom. You have a very nice bar in the foyer just close to the ballroom where you can find whatever you want (drinks and late night food). Check the menu on the bar counter. Support Milan Modern Swing! Enjoy!

In respect of the other guests and events hosted in the BARONE DI SASSI, we ask you to be quiet in shared areas like garden, bar, corridors and rooms. We have huge spaces for the event in the HOTEL structure.

Be aware that this year there is free Wi-Fi inside the hotel for all the hotel guests. Please contact directly the hotel reception for access details.

If you need any help, contact the event desk, we are very happy to help you!
